MEMORANDUM FOR THE RECORD

25X1

SUBJECT: Overview Briefing by Mr. James Taylor  
(Executive Director, CIA)  
on the FY 1989 Program

25X1

25X1

1. The SSCI hearing was held on 12 April 1988. Mr. James Taylor, Executive Director, CIA was the primary briefer. Also in attendance was Mr. Evan Hineman, DDS&T, Mr. Rae Huffstutler, DDA, Mr. Doug MacEachin, Director, Office of Soviet Affairs, Mr. John Helgerson, Director, Office of Congressional Affairs, Mr. Danny Childs, CIA Comptroller, and Mr. Leo Hazlewood, Deputy Comptroller. The only Senators in attendance for most of the hearing were the SSCI Chairman, The Honorable David L. Boren, and the Vice Chairman, The Honorable William S. Cohen. [REDACTED]

2. Mr. Taylor gave a very abbreviated version of his prepared text which focused on the FY 1989 reductions to the program. He stressed that reductions were made across all Directorates of the Agency and that he was greatly concerned about any future reductions. He stressed that future reductions would affect the Agency's long-term investment programs and result in an obsolete plan to meet both current and future requirements. [REDACTED]
